

# JAI NARAYAN

SPEAKER | TRAINER | AUTHOR

## ABOUT JAI

After a 10 year tenure as Senior Manager, L&D at Tata Elxsi, Jai now works as a professional speaker and training consultant.

A qualified Architect from the University of Mumbai, Jai has a Masters degree in Graphic Design & Visual Communication from Osaka University of Arts, Japan.

Upon graduation, he worked as a designer for a Creative Marketing agency for 10 years, followed by a 2-year tenure as a communication skills facilitator at Berlitz, a renowned, global language center.

He returned to India due to his progressive vision loss and began a career in corporate training and teaching Japanese.

### TESTIMONIALS :

'Jai has always impressed us with his commitment to excellence, in his deliverables despite having to overcome challenges related to his visual impairment. He has successfully exhibited through his approach to life and career that it is possible to rise above the challenges that life's situation throws at us'

- Sajiv Madhavan, Joint General Manager, Business Excellence, Tata Elxsi

'Our deep appreciation and heartfelt thanks to you for conducting the sessions on 'Effective Communication' for our students...As expected, the feedback is excellent!'

- Prof S.G. Mukherji, Dean, CMRIMS.

'Thank you for conducting such an enthralling session... everyone was mesmerized with your speech...You have actually proved "You can if you think you can" '

- Aseem Puri, JFWTC
